Congratulations to the 2019 “Best Family-Friendly Business”

As nominated by moms in the STMA area:

“Millennium is a great studio that not only teaches dance but also teaches young children confidence, building fun relationships, and engages their students to help participate and give back by supporting other community events.”

“Millennium Dance Company is always donating to other community programs, especially those focusing on the growth and enrichment of our youth.”

“They give you a true family feel and wrap their arms around you when support is needed. They don't say no, they say, How can we help. They deserve this award!”
